

### Canal House Collection

The closets are designed and made in the Netherlands as storage for clothes, toys, books, crockery or even for office-equipment. By placing several models next to each other, you can create a street of closets or a room-divider. And the bed will have you sleeping on easy street! [www.kastvaneenhuis.nl](http://www.kastvaneenhuis.nl) **Red fire houses, €615.00 Blue canal houses, €800.00 Black gabled house sofa bed, €845.00**
